

POSITION: Social Media and Communications Intern

The internship is remote and unpaid, only requiring a commitment of up to five hours per week. The intern is able to create their own schedule with flexible hours but must be based within SEWC's 11-state footprint.

Pitch yourself in 250 words or less in an email to dianag@sewind.org. Attach your resume and include "Social Media and Communications Intern" in the subject line.

COMPANY: Southeastern Wind Coalition

The Southeastern Wind Coalition (SEWC) is a non-profit coalition of industry, academia, partner NGOs, government, and utilities working to advance the land-based and offshore wind industry in the Southeastern U.S. We take a business-minded and economically focused approach to building the case for wind energy, including the wind supply chain. SEWC regularly convenes stakeholders across our 11-state footprint and leads or participates in strategically important initiatives and discussions to bring wind to the region. We are passionate about growing the wind industry in the Southeast. More information is available on our website at <http://www.sewind.org>

INTERNSHIP DUTIES:

The intern will primarily focus on social media engagement. Responsibilities include:

- Assisting with writing social media posts for Twitter, Facebook, and LinkedIn
- Monitoring social media mentions
- Responding to comments and inquiries across SEWC's social channels
- Assisting with monitoring and reporting on social media performance
- Assisting with general communications and/or programmatic initiatives

QUALIFICATIONS:

The internship is open to current students interested in social media, environmental studies, and/or climate communications.
